NL De kleurpastilles komen zo nauwkeurig mogelijk overeen met de verf, maar kunnen iets afwijken van de werkelijkheid.

DE Die Farbmuster entsprechen, so nah wie möglich, den Originalfarbtönen. Abweichungen sind jedoch möglich.

EN The colour chips are closely matched, but may vary slightly to the actual paint.

FR Les couleurs des échantillons correspondent d'une manière très précise aux couleurs des peintures, mais peuvent différer légèrement de la couleur finale de la peinture
